BRILF ABSTRACT OF LETTER

Requests sanction to the proposed Mahawaskakabishaka Ceremony to be held in connection with the proposed Pandyan Ceremony to take place during February 1940

NOTES AND ORDERS.

The Mahawaskakabishaka ceremony has been fixed to take place on the 18th Feb 1940 and the preliminary and other ceremonies connected therewith are expected to last for 16 days from 11th Feb to the 26th Feb 1940. Budget estimates have been prepared and approved by the General Committee, providing for a total expenditure of Rs 45,045/- against a total receipt of Rs 50,000/-. The biggest

Items of expenditure is the provision of Rs 20,000 for providing a permanent steel Scaffolding for the function, instead of a bamboo one costing about Rs 5000/-.

The Deputy Commissioner has requested orders on the points noted below

2 points for orders.

(1) provisional sanction to the Budget estimates;
(2) The Assistant Chairman of Panchayat to be appointed as Secretary to the General committee;
(3) A Whole time officer to be appointed for three months just before the function;
(4) An advance of Rs 20,000 to be made from Local Purposes Funds, subject to recoupments in due course.

The Divisional Commissioner has requested sanction to the above proposals, with the modification that the advance of Rs 20,000/- may be made from the Chairman Savings Fund during 1939-40 (the provision therefor being made in the budget of the Fund) on the security of the investments held by the Bank, the amount carrying interest at 5% per annum and being recouped from the realisations of the Mahamaham Kulathi held a certain. On the last occasion (1925) Sanction of Govt was obtained only for Sanitary arrangements etc and the expenditure incurred in that connection. It is only this time that formal Sanction has been accorded for the performance of the ceremony and for the appointment of Committees to assist the arrangements. Formal proposals about the estimated receipts and expenditure in connection with the ensuing ceremony (Feb 1940) have been received here only now for the first time for sanction of Government. This is the time to call for comparing the present estimates with those of the previous occasion (1925)

9.5.39 9.5.39 The advance of Rs 20,000 may perhaps be sanctioned, but some Responsible person should be held responsible for recovery of the advance. As the function is held in connection with the Dasara celebrations, it is for consideration whether

(8) In the absence of comparative statistics, it is difficult to say whether the estimated income of Rs 47 000 can be realised. The expenditure also seems to be capable of reduction. It may be left to the Committee to exercise close scrutiny & effect as much economy as possible

9 It is proposed to have a permanent scaffolding, made of iron, at a cost of about Rs 25 000. Under expenditure side, a sum of Rs 2000 has been provided. If a temporary scaffolding is put up, the cost is estimated at Rs 5 000 & deducting the cost of materials to be sold after the function, the net cost is expected to be Rs 2000 on this account. A function of this kind, in which scaffolding has to be used comes off once in about 15 years. & it is for consideration whether it is worthwhile to have a permanent

scaffolding at such a heavy cost. The iron articles are likely to get rusted & besides the bolts & nuts &c will have to be carefully preserved - The loss of interest on the amount spent will be considerable being about Rs 1250 per year at 5% - I do not think a permanent scaffolding & iron materials at such heavy cost for such occasional use is necessary. The amount proposed to be spent for this purpose could be better invested in a decent income secured - If this view is accepted, a smaller advance, say Rs 10000 may be enough. This may be sanctioned as a loan from Chattram Savings Fund, at 5% interest to be repaid out of the proceeds of the Jewels

(10) The Mundan, Chaumzapatra

SIR,

Mahamasthakabhisheka Ceremony at Sravanabelagola in 1940.

—

With reference to G.O.No.1311-13/Muz.60-38-5 dated 13-2-1939 constituting two committees in connection with the above celebration, I have the honor to forward herewith letter No.C.638/38 dated 6-4-1939 together with its enclosures. received from the Deputy Commissioner, Hassan District, reporting that the committees held their preliminary meetings on 30-3-1939; that they have fixed the 18th of February 1940 as the date on which the function may take place, the ceremonies connected therewith being expected to last for 16 days, i.e., from 11-2-'40 to 26-2-1940. A budget has been framed and approved by the General Committee and according to this, a sum of Rs 50,000 is expected to be realised against an expenditure of Rs 45,045 for the occasion. The Committee have resolved that instead of a wooden scaffolding which is to be constructed at a cost of Rs 5,000 on each occasion, a steel scaffolding with bolts and nuts may be made permanently on this occasion at a cost of Rs 20,000. The Deputy Commissioner, further, reports that in regard to the construction of sheds, the proposal of the Committee is to give the entire work on tender and that the arrangement as regards water supply, will be in the hands of the Sanitary Engineer.

The Deputy Commissioner requests provisional sanction to the budget framed by the Committee, and, to the Amildar of Chennarayapatna Taluk being appointed as Secretary to the General Committee, a wholetime

officer being apoointed for 3 months just before the function. seeks sanction to the Committee's resolution for ah advance of Rs from the General Muzrai Funds, subject to recoupment from the reali of the Mahamasthakabhisheka Ceremony.

I agree with the Deputy Commissioner, and re-uest that sanction of Government may be kindly obtained to his recommendations. As regards the advance of Rs 20,000, it has to be stated that the amount asked for is not available for grant during the current year, either from the closing balance of from the General Muzrai Fund, or, from the Chattram Savings Fund. Even during 1939-40, the General Muzrai Fund cannot admit of this heavy expenditure. The amount, however, can be made available from the Chattram Savings Fund during 1939-40, due provision therefor being made in the budget of that fund. I, therefore, recommend that the advance asked for may be sanctioned from the Chattram Savings Fund, on the security of the investments held by the Sri Sravanabelagola Mutt, the same carrying interest at 5%. The sum advanced will, as stated by the Deputy Commissioner, be subject to recoupment from the realisations of the Mahamasthakabhisheka Ceremony.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

S. ABDUL WAJID, ESQ., B.A.,

MUZRAI COMMISSIONER IN MYSORE,

BANGALORE.

Sir,

Mahamasthakabhisheka Ceremony to Sri Gomateswaraswamy at Sravanabelgola in 1940.

In pursuance of G.O. No. 1311-13/Muz. 60-38-5 dated the 13th February 1939 sanctioning the constitution of two committees one the Religious committee and the other the General committee in connection with the aforesaid ceremony and defining the functions of the two committees for looking after the management thereof, I have the honour to state that the two committees held their preliminary meetings in the Sri Jain Mutt at Sravanabelgola on the 30th March 1939. Copies of the resolutions passed by them thereat are herewith enclosed for kind perusal.

2. The Religious committee has fixed 18th February 1940 as the date on which this great function might take place. The ceremonies will last for 16 days commencing from 11th Feb. 1940 to 26th Feb.1940 both days inclusive.

3. A provisional budget was prepared for both the religious and general ~~xxxx~~ side of this function based on the experience of similar previous ceremonies held in the years 1910 and 1925. According to the budget approved by the general committee, a copy of which is enclosed it is seen that a sum of Rs.50,000/- may be expected to be realised from all the sources mentioned therein and that a sum of Rs. 45,045/- may have to be spent, inclusive of Rs.11,445/- to be incurred purely for the Puja side of the function.

4. It was unanimously ~~xxxxxxxx~~ resolved that in the place

to be constructed at a cost of about Rs.5,000/- every time for conduct of Abhisheka to Sri Gomateswara, a steel scaffolding with bolts and nuts may be made permanently on this occasion to serve on future occasions also, the cost of which is ascertained to come to about Rs.25,000/-. An estimate with a plan has been called for from the Executive Engineer and on receipt of the same from him, a separate report will be submitted in the matter. A sum of Rs.20,000/- has been included in the expenditure side in the budget estimate, though it is an expenditure of a capital nature, as it is proposed to meet the cost out of the realisations of the eremony.

5. With regard to construction of sheds, the proposal of the Committee is to give the entire work on tender, and the tenderer will bring his own materials and take them back after the occasion. The exact amount that would be spent would depend upon the number of sheds that will be ultimately built. The hire is roughly estimated at Rs.5/- per shed for 1000 sheds, and the amount is proposed to be recouped by levying rent at double the rate. If the actual number of sheds should be less, as I expect it to be, both the income and ~~expen~~ expenditure from this head will be affected.

6. As regards water supply, it is proposed to pump up water ~~fr~~ from the wells in the Musafirkhana and the Middle School to the Pilgrim camp, having there a suitable number of taps. The entire arrangement will be placed in the hands of the Sanitary Engineer, and provision is made only for hire for the pumping plants, and the piping materials.

7. A copy of the budget framed by the Committee is herein enclosed and I request that the same may kindly be sanctioned provisionally.

8. I had, in my letter of the 2nd December 1938 requested for an advance of Rs.25,000/-. The Government order is silent about this point. The Committee have resolved that as the expected income is not likely to be realise till the function comes off, an advance of Rs.20,000/- may be requested for from the General Muzrai Funds, subject to recoupment from the realisations of the Mahamasthakabhisheka Ceremony. I request sanction for the advance.

9. In my letter of 7th September 1938, I had proposed that the

that the Amildar, Channarayapatna may be appointed Secretary of the General Committee, a whole time officer being appointed for three months just before the function. I request sanction to this proposal also.

10. Special arrangements relating to public health and conservancy including Medical and Veterinary aid have to be made for the occasion. A copy of memo of instructions in duplicate, issued for the guidance of the several officers of the District is herein enclosed for kind information.

I have the honor to be,
sir,

Govt order No 1311-13/Mug 60-38-5 dated 13.2.1939 constituting two Committees (General and Religious) in connection with the celebration of the Mahavratha Kalabhisheka ceremony at Sravana Belgola in Feb 1940

Order thereon.—No. (2) Letter No C 15-3/38-39 dated the 29th April 1939 from the R.C in Mysore requesting Govt to issue instructions in connection with the proper conduct of the Kalabhisheka ceremony to take place in February 1940.

Orders 2086-88

It is reported that the two Committees have fixed the 18th Feb. 1940 as the date on which the function was to take place, the ceremonies connected therewith were expected to last for 10 days i.e. from the 11th to the 26th Feb 1940. A budget has been framed & adopted by the Reception Committee ~~for~~ ~~to be~~ according to which a sum of Rs. 50,000 is expected to be required to meet an expenditure of Rs. 45,045/- ~~for the occasion~~.

The Punjab Govt. requests that the provisional budget estimate may be adopted & that for a sum not exceeding Rs 20,000 may be sanctioned from the Civil Contingencies Fund, which is to be recovered from the Investment Account of the Provincial Government

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.

Read :—

Government Order No.Ld11-13/Muz. 60-38-5 dated 13th February 1939 constituting two Committees (General and Religious) in connection with the celebration of the Mahamasthakabhisheka ceremony at Sravanabelagola in Feoruary 1940.

2. Letter No.C.153/38-39 dated the 29th April 1939 from the Muzrai Commissioner in Mysore requesting sanction to his proposals in connection with the proper conduct of the above ceremony to take place during February 1940.

Order No. 2086-88 / Muz 60-38-7

Dated, Bangalore the 25th May 1939.

It is reported that the two Committees appointed have fixed the 10th February 1940 as the date on which the function may take place, the ceremonies connected therewith being expected to last for 16 days, i.e., from the 11th to the 26th February 1940 A Budget has been framed and approved by the General Committee according to which a sum of Rs.50,000/- is expected to be realised as against an expenditure of Rs.49,045/- . The Muzrai Commissioner requests that the provisional budgetary estimates may be approved and that an advance of Rs.20,000/- may be sanctioned from the Chatram Savings Fund for next year, on the security of the investments held by the Sri Sravanabelgola Mutt, the loan being repaid with interest at 3% from the realisation of the Mahamasthakabhisheka ceremony. Government observe that the budgetted expenditure is capable of reduction and trust that the Committees will exercise close scrutiny and effect as much economy as possible. They desire to point out that it is neither necessary nor prudent to have a permanent scaffolding of iron materials at a heavy cost of Rs.25,000/- and that it

it would be enough if a wooden temporary scaffolding is erected as in previous occasions at a cost not exceeding Rs.5000/- and the materials are auctioned on the conclusion of the function. The investment of such a big amount, viz., Rs.25,000/- as dead capital is hardly justified, as the need for such a scaffolding arises only once in about 10 years and the loss of income which is likely to accrue if it is invested otherwise is considerable. Subject to the above alterations the budget estimates may be adopted. In view of the reduction in the expenditure a reduced ~~allowance~~ advance of Rs.10,000/- (Rupees Ten Thousand) is sanctioned as a loan from the Chattram Savings Fund carrying interest at 5 per cent per annum, on the security of the investments of the Sri Sravanabelagola Mutt subject to the condition that the Sri Swamigalu of the Mutt should bind himself to the effect that in case the advance or any portion of the same cannot be repaid from the realisations of the Ceremony the amount may be recouped by sale of the investment held in security therefor to the extent necessary.

2. The recommendation of the Muzrai Commissioner to appoint the Amildar Channarayapatna Taluk as Secretary of the General Committee is approved. Government have no objection to place the Amildar on Special duty in connection with the ceremony for a period of three months as proposed provided the cost on account of his salary and allowances if any is met by the Committee. Separate proposals in this behalf may be submitted at the end of October 1959.
